

MIDSIZE PICK-UP

Revolutionise your pick-up with the new DECKED Drawer System:
Unmatched capacity, security and durability.

The DECKED Drawer Systems features a 500 kg payload rating and a single SUPER drawer with 180 kg capacity. The weatherproof design combines lockable security ultra strength and delivers a mega storage experience. Made in the USA, DECKED products are built to endure the toughest conditions and roughest treatment.

KEY FEATURES

NEARLY ZERO WASTED BED SPACE

- 180 kg Super Drawer payload capacity
- 30% increase in total drawer storage volume
- Increased drawer extension: only 350mm left supported under deck
- 205mm more extension
- Integrated drawer face bin provides weatherproof storage cubby

NEW STASH BINS

- Unrestricted pass-through access and storage from tailgate to wheel well
- Included Stash Bins drop in from above
- Waterproof and lockable Stash Bin lids
- Uninhibited access to OE power outlets

500KG DECK PAYLOAD RATING

- Same payload as midsize pick-up
- Designed to better meet real world use cases and abilities of mid size pick-up

INTEGRATED D-RING TIE DOWNS

- 3 per side on outbound edges, 6 total
- Countersunk, lie flat and out of way when not in use
- Function as no-drill installation points for CargoGlide
- Steel to steel connection - 182kg dynamic load rating

ENHANCED WEATHERPROOFING

- Greatly reduces airborne particulate intrusion
- Cabside and drawer-side closeout panels
- Improved drawer-face seal
